[www.autismeducationtrust.org.uk](http://www.autismeducationtrust.org.uk)

*The day will include:*

### Keynote Guest Speakers

**One Parent's Story** by Angela Haley

**School on the spectrum** by Ollie Marchant.

### AET making sense of autism training workshop

The course will raise awareness of autism for Early Years Practitioners through supporting the identification and early support of children with difficulties that may be associated with autism. The training considers the Early Years and Foundation Stage curriculum and how this may be tailored to the needs of children with autism.

### AET good autism practice taster

Good autism practice for Early Years Practitioners/Key workers who regularly support a child or children with autism. This will be a short taster for the course.
