## Single Central Record Check

### Introduction

The Single Central Record (SCR) is a statutory requirement and compliance is an integral part of any Ofsted inspection. Our experienced staff in the NYHR team can assess your SCR and provide you with the assurance that your SCR meets the statutory requirements.

### Service benefits

- A bespoke service that is tailored to your needs
- Assurance from experienced HR professionals that your SCR is 'fit for purpose'
- Advice and recommendations on safer recruitment practice
- Gain clarity on the statutory requirements of the SCR and good practice on safer recruitment and selection procedures

# Comprehensive check of your SCR

## Key features

We will undertake a comprehensive check of your SCR to identify any gaps and provide advice to your school. A HR Advisor will visit your school to audit and cross reference the SCR against personal files; written feedback will then be provided.

*“The SCR check was both thorough, yet sensitively conducted. The feedback provided was detailed and clear as to what the school could improve on. It was therefore worth the time and money we invested in it.”*
