

LA weekly eRed Bag mailing

Week beginning 06 November 2017

This email is an official communication to schools from the North Yorkshire Children and Young People's Service.

In this issue:

- SEMH Implementation Plan
- Chief Executive's Key Messages
- Eco Schools award training
- The energy and sustainability service's newsletter

For Action

SEMH Implementation Plan

Audience: All schools

The group has developed a draft SEMH Implementation Plan based on existing plans and strategies linked to Future in Mind and the all ages mental health strategy Hope, Control and Choice. The plan has also been developed based on discussions that have taken place in SEMH steering group working sub-groups so we are sure you have all contributed in some way. The aim of the document is to bring together all these actions in to one plan that all partners are signed up to.

The document is now ready for the first stage of feedback. It is purposefully not a finished document and we are seeking engagement with wider partners to gauge if the priorities and actions are right and will give us confidence that if fully implemented will improve emotional wellbeing outcomes for Children and Young People. The content we would like you to focus on right now are the priorities and actions the performance framework is being developed in a separate work stream and once available will be shared with you all.

[Please click here](#) to be taken to the survey that will allow you to share your thoughts and contribute to the next version.

Please feel free to forward the link to other contacts and networks, the survey is live from 30th October and will close 12pm 17th November in order for us review feedback for the steering group meeting 23rd November.

Cascade to:

Head teachers,
SENCOs,
pastoral staff

Action required:
