SEND – Consultation now live - use of Special Provision Capital Funding

Audience: All Schools

We are now consulting on plans for the use of Special Provision Capital Funding, which must be published in March 2018 in order for the County Council to receive capital funding to increase places and improve facilities for children and young people with Education, Health and Care Plans. This plan has links to the overall SEND strategic plan priorities.

We would be grateful if you could raise the awareness of this with colleagues and parents/carers.

You can provide feedback through an online survey at the following NYCC web page: <https://www.northyorks.gov.uk/special-provision-capital-funding>
