**Information, updates and guidance**

**National Pay Award for Staff on NJC Terms and Conditions**

**Audience: All Primary Schools**

Agreement has been reached on the National NJC Pay Award which will take effect from 1st April, 2018. The agreement reached covers a two year period which gives a minimum 2% increase in the first year and involves significant changes to the national pay spine in year 2. Further information, including the new pay rates, is available on the [PAY PAGE](#).

For maintained schools that use ESS, the pay award will be applied automatically to April salaries. Any maintained schools using alternative payroll provision should ensure that the pay award information is communicated to their provider as soon as possible.

Academies buying into ESS have already been contacted regarding whether they will apply the pay award and, where this has been agreed, the changes will be applied to relevant staff. Other Academies will need to determine if they wish to apply the award and notify their payroll provider accordingly.

It is recommended that all schools applying a pay award share the new pay rates with relevant staff.

**Cascade to:**

Head teachers,  
SLT & HR staff

**For further information contact your existing named contact**

Changes to North Yorkshire Bikeability Cycle Training Scheme
