Child employment month (April)

Audience : all Schools

Do any of your students have a paper round? Do they have Saturday jobs or work during the school holidays? If so, they will need an employment permit to work.

North Yorkshire County Council is responsible for ensuring children between the ages of 13yrs & 16yrs (compulsory school age) who intend to work, or have a job, have a valid employment permit. The Local Authority has produced byelaws which regulate the types of work young people are permitted to do and also the number of hours they are allowed to work. These byelaws help to ensure young people are working safely and their work does not affect their wellbeing or education.
