

North Yorkshire County Council Clicker – SEN Support

In addition to extensive support for learners with reading and writing difficulties, Clicker offers unique benefits for pupils with a wide range of special needs.

[Support pupils with special needs](#)

Both Clicker (Windows/Mac) and the Clicker Apps (iPad/Chromebook) include the core child-friendly word processing features that Clicker is known for, including speech feedback, word prediction, Voice Notes, picture support, mind-mapping tools and the ability to provide topic-specific Sentence Sets, Connect Sets and Word Banks.

If you can't find your activation details or want to discuss Clicker in more detail, please contact:
