The North Yorkshire Cultural Education Partnership is a newly formed group of cross-sector partners from across the county. The partnership is committed to realising the potential of and supporting the mental health and wellbeing of all North Yorkshire's children and young people through arts, culture and creativity.

The partnership is an expanding network, and we warmly welcome new organisations and individuals to ensure we have a joined-up approach in increasing opportunities for children and young people in the county.

Our agenda for the event looks like this:

- **The North Yorkshire Cultural Education Partnership: An Introduction by Christine Rostron, Programme Manager**
- **Imaginosity at Mill Hill School: A Case-Study by Elaine Burke, Arts and Health Specialist Consultant**
- **Networking and Consultation**

Exhibitors include **Malton Library, Malton Museum** and artist **Rebecca Norris**, a recent contestant on *'The Great Pottery Throwdown'*.

A buffet and drinks will be provided.

Hope to see you there for a natter!
