

29/03/2023 09:30 - 11:30

Title: Primary Science Network

Venue: Online

Trainer: Pam Waite

NYES School Improvement & Early Years

Primary Science Network

Two hour meeting with Pam Waite, Primary Science Specialist, North and West Yorkshire Science Learning Partnership

Outline

Approaches to Pupil Led Enquiry (within working scientifically)

Description

The two hour session will enable subject leaders to :

- recap and refresh themselves very briefly with the requirements of the working scientifically part of the primary science curriculum
- raise and discuss any concerns they have around enabling a pupil led enquiry
- receive a detailed introduction to pupil led enquiry
- become familiar with ideas for carrying out a pupil led enquiry and where to find resources for practical enquiry

Outcome

Subject leaders will:

- understand the requirements of the working scientifically part of the science curriculum and be able to share these with colleagues back in school
- have opportunity to share their ideas, thoughts and experiences of pupil led enquiry
- have a better understanding of pupil led enquiry which they could then share with colleagues
- feel more confident to engage their pupils in pupil led enquiry

Booking Information

The meeting will be run on Adobe Connect and meeting will be managed by North and West Yorkshire Science Learning Partnership. Your name and school will be provided to them pre meeting for the purpose of the register and to provide you with the meeting ID and joining instructions.

Please log on 15 minutes before the start of the training so you can resolve any audio or video problems.

Please note that there is a deadline for bookings which is 48 hours prior to the event.

If you have any questions, please call 01609 798864 or email schoolimprovementservice@northyorks.gov.uk
