INTERGENERATIONAL SOCIAL ACTION PROJECT FOR KS3

What is it? An exciting new opportunity fully resourced and delivered by The Linking Network to engage young people in social action in their communities and connect with older people through this process.

Who is it for? We're looking for a class or group of students from rural schools in Yorkshire and immediate surrounding areas

How will it benefit students? The project supports many aspects of SMSC, PSHE and Citizenship and the wider curriculum as well as developing students leadership, communication and social skills.

When will this happen?

Spring/Summer term of 2023- dates and times can be chosen by school

How do I find out more? Email

louise.hannon@thelinkingnetwork.org.uk for more information and to sign up - places are very limited so please respond promptly.
