

27/06/2023 13:30 - 15:30

Title: Primary Science Network

Venue: Online

Trainer: Pam Waite

NYES School Improvement & Early Years

Primary Science Network

Two hour meeting, one hour with Pam Waite, Primary Science Specialist, North and West Yorkshire Science Learning Partnership and one hour with Jan Jones STEM PDL and Early Years Specialist

Outline

Part 1 (1 hour)

Assessing primary science (Pam Waite)

Part 2 (1 hour)

Effective practice to develop Science learning within your Early Years setting (Jan Jones)

Description

Part 1 - Assessing primary science (Pam Waite)

This one hour session will enable subject leaders to:

- hear a brief recap of the statutory requirements regarding the assessment of primary science
- take away ideas that will help teachers assess science/ improve teacher confidence when making assessments
- raise and discuss any concerns they have around assessing primary science

Part 2 - Effective practice to develop Science learning within your Early Years setting.

This one-hour session will enable subject leaders to:

- be clear of where science fits within the Early Years curriculum
- see how a carefully planned environment can support science learning
- understand the importance of adult-child interactions to support early science skills competencies

Outcome

Subject leaders will:

- have a clearer picture of what the statutory requirements are regarding assessment in primary science
- gain knowledge of where to find a range of useful ideas and resources to use when assessing science
- be able to return to school and share the information regarding assessment with their colleagues
- know how to exploit opportunities for science through good early years practice
- be clear on the importance of talk and effective communication to the development of science concepts
- be able to support colleagues in school to develop science practice in your Early Years setting

Booking Information

The meeting will be run on Adobe Connect and meeting will be managed by North and West Yorkshire Science Learning Partnership. Your name and school will be provided to them pre meeting for the purpose of the register and to provide you with the meeting ID and joining instructions.

As this meeting is run on Adobe Connect, please ensure that you can access this platform or take any necessary steps to allow your equipment to access this platform

Please log on 15 minutes before the start of the training so you can resolve any audio or video problems.
