### Want help in supporting young people with communication difficulties?

Talk for Work Intervention (Training, Resource Pack and Monitoring Tool)

Fully Funded by Selby Locality Board

Fully Funded Opportunity		Who is this training for?
<p><b>Help young people get ready for the workplace.</b></p> <p>Talk for Work is an evidenced targeted intervention that helps students aged 14 to 18 with difficulties in talking and understanding words to be ready for the workplace. It has been developed by Speech and Language UK (formerly ICAN).</p> <p>It can be used in both secondary schools and FE colleges.</p> <p>The programme consists of a series of 13 fully planned one-hour lessons delivered by trained teaching or support staff.</p>	<p>Young people who are selected will:</p> <ul style="list-style-type: none"><li>• learn and practise the communication skills that support other 'soft' employability skills such as team working, time management and problem-solving.</li><li>• work towards co-delivering workshops about communication skills to an audience in their school and then to local businesses. Workshops help students apply these skills and a range of tools help them reflect on their progress throughout the lessons.</li></ul>	<p>The virtual training is suitable for Teachers, Teaching Assistants and Special Educational Needs Coordinators who will deliver the programme.</p> <p>The one-day virtual training course on 28th September 2023 provides background on speech, language and communication needs as well as providing full details and materials to deliver the lessons and workshops.</p>
