

Craven

Locality - performance summary

Headlines – Craven Schools Locality

Exclusions from school

- As of the end of December there had been a total of 1542 fixed-term exclusions from mainstream schools in North Yorkshire in 2020/21. 77 (5%) of these occurred in mainstream schools in Craven, 11.2% occurred in Craven in the same period last year.
- Fixed-term exclusions are down (-35%) compared to the same period in North Yorkshire in 2019/20 (2386). There were also 35% fewer fixed-term exclusions in Craven, compared to same period in 2019/20 (118).
- To the end of December in 2020/21, there has been 1 permanent exclusion from Craven mainstream schools or 7% of the North Yorkshire total of 14.
- In the same period last year, permanent exclusions from Craven mainstream schools represented 8% of the North Yorkshire total (2 of 26).

Attendance

- The proportion of children in attendance in schools in Craven decreased over the Winter term. Between November and the end of December, attendance was down in Secondary schools (from 91.0% to 87.0%) and down in primary schools (from 93.5% to 91.7%)
- As of 17th December 2020 there were 568 children recorded as being absent from mainstream schools in Craven for unauthorised absence or absence related to Covid-19, 12.9% of the 4406 recorded in North Yorkshire mainstream schools
- 456 (80.2%) were absent for reasons of Covid-19 in the locality, the North Yorkshire total was 3371 (76.5%)
- Since the 4th January 2021 announcement of the closure of schools, this data will be reviewed and will be presented in future reports

Elective Home Education (EHE)

- As of the 31st December 2020 there were 808 children recorded as Electively Home Educated in North Yorkshire, a 30% increase on the same point last year (621). The total increase for children formerly from a Craven mainstream school has been 40% in the same period (48 to 67)
- The rate of children Educated at Home of the mainstream school population in Craven is 0.76%, as of December 2020, which is much lower than the rate of EHE for the mainstream school population for North Yorkshire (0.99%)
- There have been increases in EHE across all school localities in this period

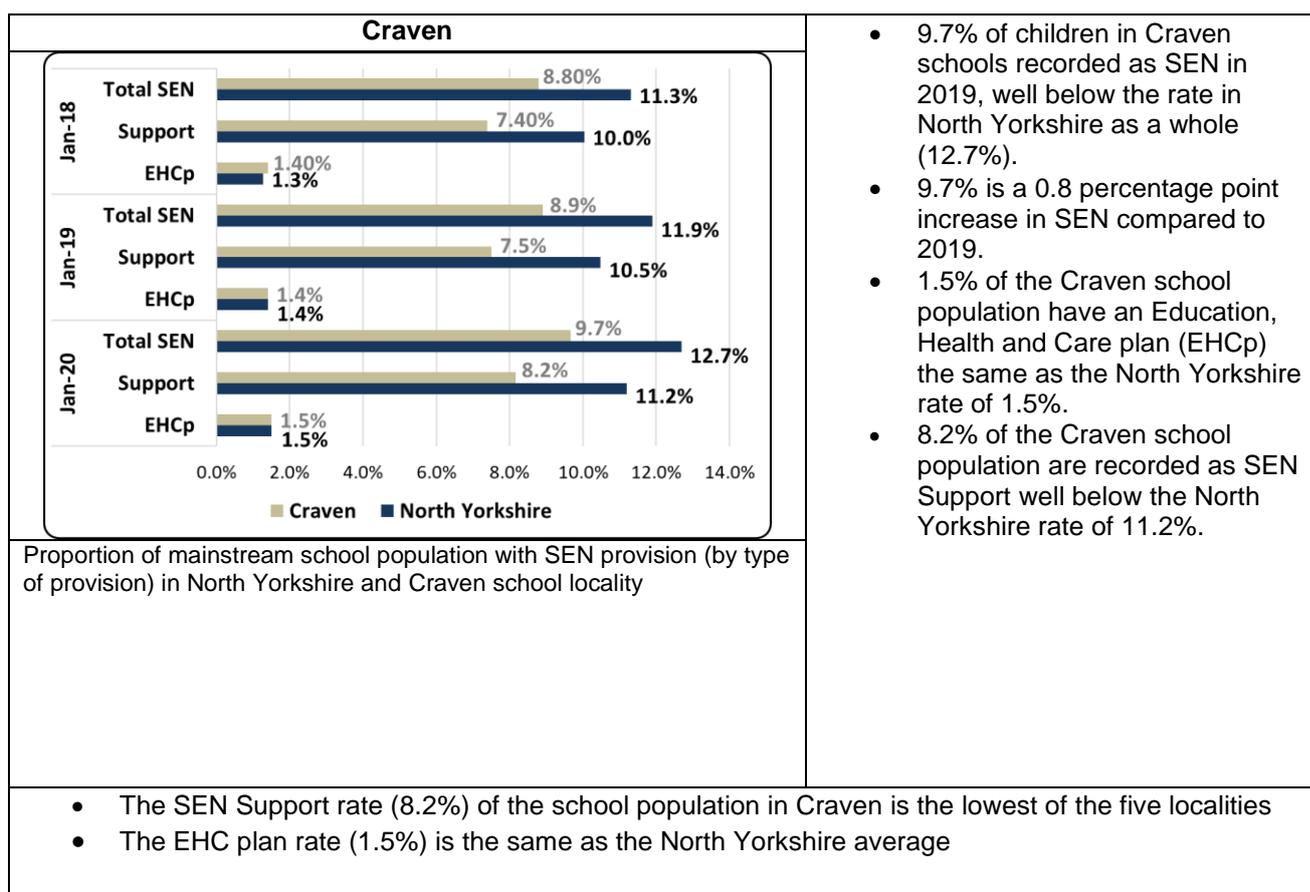

SEN in mainstream schools

- 9.7% of children in Craven schools were recorded as having special educational needs in the January 2020 school census, a similar rate to the North Yorkshire rate as a whole of 12.7%
- The rate of children recorded as SEN Support in the locality was 8.2% of the mainstream school population, much lower than the average North Yorkshire rate of 11.2%
- The EHC plan rate of the school population (1.5%) is the same as the North Yorkshire rate of 1.5%

Ofsted Outcomes

- As of November 2020, the rate of primary schools with a 'Good' or 'Outstanding' outcome in the locality at the most recent Ofsted inspection was 83.9%, higher than the North Yorkshire average of 82.0%. However, the secondary school rate was 83.3%, considerably above the county rate of 74.4%
