Declaration of Interests

Members of the Schools Forum who have an interest in an agenda item beyond the generality of the group they represent are required to declare the existence and nature of that interest to the Chair prior to the start of the meeting. *Further information can be found in paragraph 13 of the constitution of the North Yorkshire Schools Forum.*

Voting

Voting on proposals in relation to the school and early years funding formulae may only be undertaken by (i) those listed as "Schools' Members" on the Membership page of this agenda and (ii) the Early Years representative.

Where a phase-related de-delegation proposal requires a vote, only schools' members representing schools within that phase may vote.

Observers cannot vote on any proposal brought before the Schools Forum.

Voting requirements will be clearly identified in the agenda item.

Reports marked for information only will not, under normal circumstances, be presented to the Schools Forum. Any comments or questions arising from the report should be directed to the Clerk who will either (i) seek a response from the author or (ii) request their attendance in order to respond directly to the members of the Schools Forum.

The Chair will request that any members of the public leave the meeting for items marked as confidential and which involve the likely disclosure of exempt information as defined in part 1 of Schedule 12A of the Local government Act 1972.
