

FULLY FUNDED COURSE: DO YOU WORK WITH PARENTS OF YOUNG CHILDREN?

Fuel poverty charity National Energy Action is offering a **FULLY FUNDED** half-day training course.

The course looks at the causes of fuel poverty and the impact of cold homes and carbon monoxide on physical and mental well-being in pregnancy, newborn babies, and children aged five and under.

For: Front-line workers who help expectant parents and families with children under five

Duration: Half day (three hours)

Dates/Delivery: Online via webinar. www.nea.org.uk/warm-welcome-webinar to book your free place.

Or, if you have a group of 10 or more learners, we could deliver a session specifically for your organisation. Please contact lynsey.thompson@nea.org.uk.
