READING WELL

Our collections help you understand and manage your health and wellbeing.

There are several different collections including:

Reading Well for Mental Health: information and support for managing common mental health conditions, or dealing with difficult feelings and experiences.

Reading Well for Children: to support children's mental health and wellbeing. Targeted at those aged 7-11, but includes titles aimed at a wide range of reading levels

Buzzy Bee's Honey Hunt

Book Club for 0-4 year olds

Regularly reading books together and talking to babies and children helps them develop vital literacy and communication skills. It's never too early to start.

Buzzy Bee's Honey Hunt is free for any child aged 0-4 at your local library.

Collect Buzzy Bee stickers and picture cards on your library visits.

There are six North Yorkshire themed picture cards to collect.

When you have collected them all, we will present your child with a special certificate!

Family Matters

Bringing up children has never been easy and there's no magic formula.

North Yorkshire Libraries are here to help.

We have books to share with children as well as those for parents and carers – themes include bumps to babies, toddler tantrums and tips for coping with a new baby.

Family Matters collections are in larger libraries and all titles can be requested.
