

Great Start in Life Foundation

Harrogate Hospital & Community Charity (HHCC) are the charity who fundraise to enhance the experiences for services provided by Harrogate and District NHS Foundation Trust (HDFT).

HDFT deliver the Health Visitor and School Nursing Service in the area where you live.

Our Health Visitors and School Nurses aim to deliver HDFT's strategy 'Great Start in Life' and support children, young people and families to achieve lifelong emotional and physical health.

We need your help!

We would love help from our children and young people from across the areas we service, to design and draw a logo that represents 'Great Start in Life.'

We will use this logo as HDFT's and HHCC's brand in all communication campaigns, within the area you live and the winning logo entry will receive a 'Fit Bit' as a thank you for your participation.

Please submit entries to hdft.hhcc@nhs.net by **12 noon on Friday 22 December 2023**.

The lucky winner will be announced on **Monday 8 January 2024**.
