Work in a pre-school or nursery school

Be part of something big

Working with small children is a big deal. It's a career that makes a difference, giving children the best start in life. Search "early years" at findajob.dwp.gov.uk.

Training and qualifications

You don't need a qualification to start your career in early years and childcare but it helps to develop your knowledge and skills. Getting an approved qualification builds confidence within your role as well as providing opportunities to progress your career. For more information on early years careers visit: earlyyears Careers.campaign.gov.uk.
