

EYFS Recommended Apps and websites

The Hungry Little Minds website has ideas for fun educational games and activities for you to do with your child. This is a government sponsored project and has been reviewed favourably by independent organisations as having a worthwhile impact on learning and development. Below is the link to the website and also a selection of the apps recommended by the project which you may wish to access with your child.

EYFS Numeracy Apps and Websites

Following a parental request, we have included some numeracy apps and websites that you can access with your child at home. However, number skills are also best learnt through practical activities. The following link contains a number of activities and games that can be played at home <https://family.co/blog/inspiration/10-creative-early-years-maths-activities/>

Websites

- www.topmarks.co.uk (maths games 3-5 and some 5-7 games)
- YouTube- Jack Hartmann (counting songs, shape songs, interactive songs, <https://www.youtube.com/user/JackHartmann>)
- YouTube- 3D Shape Song <https://www.youtube.com/watch?v=ZnZYK83utu0>
- Number and counting rhymes- <https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-counting-songs/zn67kmm>
- Iplayer- Number Blocks episodes series 1, 2 and 3 <https://www.bbc.co.uk/iplayer/episodes/b08bzfnh/numberblocks>

Apps

- Maths Alien Adventure (free)

- Meet the Number Blocks (Free)

- Maths, ages 3-5 (free) Lots of levelled activities to complete.
- Maths ages 4- 6 (free) However, this app is based on Reception to Year 1 level. Your child will need your support to access some of these activities.
