Dear colleague,

I am contacting you in relation to a new opportunity for your school to become involved in the work of the North Yorkshire Safeguarding Children Board (NYSCB).

The NYSCB is looking for expressions of interest from Headteachers or Designated Safeguarding Leads to join a new Education Focus Group. The purpose of this group is to act as a consultation and task group for the NYSCB for the delivery of key pieces of work impacting on schools such as the development of practice guidance for schools, the School Safeguarding Audit and other projects.

Given the number of schools within North Yorkshire, it is not possible to seek representation from all schools. Therefore, as a member of the focus group you would be expected to cascade information to other schools through your own networks, e.g. sharing information within school clusters, alliances or within Multi Academy Trusts.

If you are interested in joining the Education Focus Group please contact Haydn Rees Jones, NYSCB Policy and Development Officer by email ([haydn.reesjones@northyorks.gov.uk](mailto:haydn.reesjones@northyorks.gov.uk)) or telephone 01609 535188 by Friday 20 April 2018.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "N. P. Frost".
