Out of hours emergency contacts for schools

Audience : All schools

We are updating our out of hours emergency contact numbers for schools and are seeking your help in ensuring that our information is as accurate as possible. Such numbers will only ever be used in relation to an emergency situation involving your school (eg buildings related emergencies such as fire, flooding, accidents or urgent safeguarding meetings) and the information held is accessed for this purpose by the Corporate Director and his management team, Resilience & Emergencies or by

safeguarding professionals in relation to attendance at urgent strategy meetings. Please complete the entry for your school here. (<https://scanmail.trustwave.com/?c=2863&d=-gur3NvIIPAB9RKSvJAbZ8bXoUcFivIA8GUn-vHxHA&u=https%3a%2f%2fr1%2edmtrk%2enet%2ft%2f4BPJ-JEAR-2EF6J3-E1RH1-0%2fc%2easpx>)

Banding replacement for the Can-Do

Audience : All schools

As you are hopefully aware from the recent consultation and approval through School's Forum and the Executive Board, we are changing the way we allocate Element 3 resource for children and young people with EHCPs. Until the 31st March 2019, our method to allocate this resource has been through the Can-Do. From 1st April 2019 NYCC are moving to a banding system to allocate the resource with descriptors at each band.

At the recent SENCO networks, information was shared and training offered to all attendees. I explained that the EHCAR form and the Annual Review form would be slightly amended to remove references to the Can-Do and to add relevant details regarding the banding system. I also agreed to share the final versions of the descriptors – thanks again to SENCO colleagues who attended the networks and who were hugely helpful in suggesting changes to wording to improve clarity. Please find attached a banding process document with all descriptors embedded as PDFs (https://scanmail.trustwave.com/?c=2863&d=-gur3NvIIPAB9RKSvJAbZ8bXoUcFivIA8DV0r_mmSQ&u=https%3a%2f%2fr1%2edmtrk%2enet%2ft%2f4BPJ-JEAR-2EF6J3-E1RH2-0%2fc%2easpx). The EHCAR form and Annual Review form have also been updated. Please use these forms from 1st April 2019.

Information, updates and guidance

Relationships Education, Relationships and Sex Education and Health Education - Early Adopter School Programme

Audience : all Schools

The government are looking for schools to become early adopters of the statutory relationships, relationships and sex education and health education (<https://scanmail.trustwave.com/?c=2863&d=-qur3NvIIPAB9RKSvjAbZ8bXoUcFivIA8GJxrfP2Sg&u=https%3a%2f%2fr1%2edmtrk%2enet%2ft%2f4BPJ-JEAR-2EF6J3-E1O17-0%2fc%2easpx> bag/Attachments/RSHE early adopter school programme.pdf?campaignkw=R%2C%20RSE%20%26%20HE) which will become statutory for all schools in September 2020. It would be really good if we could get some North Yorkshire schools involved in this project. They are looking for a real mixture of schools from those who already have a planned PSHE programme to those who have nothing yet. From large to small schools – I think it would be really helpful if they worked with some small schools to ensure the guidance the government provides is useful for all schools.

I do hope your school will consider taking part – If your school is chosen it would be really helpful if you could let me Clare Barrowman, Health and Wellbeing Advisor know at clare.barrowman@northyorks.gov.uk (clare.barrowman@northyorks.gov.uk) as we are really interested in what the government are working with you on as an early adopter school.

Child employment month (April)

Audience : all Schools

Do any of your students have a paper round? Do they have Saturday jobs or work during the school holidays? If so, they will need an employment permit to work.

North Yorkshire County Council is responsible for ensuring children between the ages of 13yrs & 16yrs (compulsory school age) who intend to work, or have a job, have a valid employment permit. The Local Authority has produced byelaws which regulate the types of work young people are permitted to do and also the number of hours they are allowed to work. These byelaws help to ensure young people are working safely and their work does not affect their wellbeing or education. Independent travel training (SEND Transport)

Audience : all secondary schools

Independent Travel Training (ITT) has now been updated and is no longer able to offer 1:1 practical support to children and young people in this area. We are now providing support in the following areas:

ITT Parent Workshops

A two hour long workshop that gives parents/carers information, guidance and tips on how to help their child become independent. Workshops are starting in May 2019 and should you know any parents/parent groups/carers who may wish to access one of these workshops, then please contact Chrystal Staveley at: SENDtransport@northyorks.gov.uk (SENDtransport@northyorks.gov.uk) If you can help publicise this information on your school newsletters or website then we would be really grateful.

Train the Trainer (ITT for schools/college staff) Train the Trainer workshops are now being delivered to school/college/PLP staff.

This is a free training course and we are asking for at least 2 members of staff from either Learning Support/ATA/HLTA or GTA (if they will have the capacity to help deliver Travel Training within their school). This training will be 1 full day, but can be broken down into sections if this is more convenient.

We are asking for every North Yorkshire School (secondary) and college to have at least two members of staff who have had this Travel Training as parents will be diverted to schools/colleges to ask what their Travel Training offer is going forward.

Training days are starting in June/July 2019.

To book a training session or a meeting to discuss this in more detail, please contact Chrystal Staveley at: SENDtransport@northyorks.gov.uk (SENDtransport@northyorks.gov.uk) ITT Core skills student workshop A one hour workshop held during school holidays. This is aimed at those young people who may have more complex needs and need some very basic ITT information. This will include basic road safety and how to stay safe when out and about.

This is ideally aimed at those young people who would never be able to travel independently to school or college and just need some basic skills in order to travel within their local community. Workshops are starting in July 2019 and should you know any parents/carers who may wish for their child to access one of these workshops, then please contact Chrystal Staveley at:

SENDtransport@northyorks.gov.uk (SENDtransport@northyorks.gov.uk) If you can help publicise this information on your school newsletters or website then we would be really grateful.

All of this information will be on the SEND local offer W/C 8th April 2019 and is also available on CYPInfo here: <https://scanmail.trustwave.com/?c=2863&d=->

Launch of the new SACRE RE Agreed Syllabus

Audience : All Schools

This one-day conference will introduce teachers to the new North Yorkshire SACRE Agreed Syllabus for RE. It will focus on practical classroom ideas and strategies, enabling teachers to get to grips with the new syllabus and find out how to apply and use it successfully in their schools. It will be led by Lat Blaylock and members of the RE Today Adviser Team, who have written the syllabus. They have a wide national reputation for practicality and excellence in RE CPD. For more details of the conference click here.
