

## Healthy Schools award training dates: Spring Term 2020

### Overview

Spend time working towards your Healthy Schools award, network with other local schools and receive support from the Healthy Schools team. This term's training will have a focus on the 'Food in Schools' theme – developing a whole school food policy, healthy packed lunches, increasing free school and school meal uptake and improving the lunchtime experience.

This is a new scheme for North Yorkshire, funded by Public Health to enable all North Yorkshire schools, except Private schools who can join for a charge, to take part free until July 2020. These half day training dates are free for all North Yorkshire schools to attend, including academies, special and secondary schools. Private or out of County schools can attend for a charge of £75/ session. Please note all sessions are the same, you only need to book one half day session/ school, on your preferred date, time and at your chosen venue.

### Booking

To book your place, please book via your NYES account, using the relevant course code for the date and venue you require: <https://www.nyeducationsservices.co.uk/>  
If you have any problems making a booking, please contact NYES 01609 533 222.
