

# North Yorkshire SACRE Newsletter

## School Improvement and Early Years' Service Summer 2021

### PLEASE PASS ON TO YOUR RE SUBJECT LEADER

Welcome to the summer term SACRE newsletter for North Yorkshire schools. This termly newsletter will keep you up to date on what SACRE is doing and the support it offers to North Yorkshire schools alongside national and regional updates and news on RE resources and training.

#### What is SACRE?

The acronym SACRE stands for: Standing Advisory Council on Religious Education

#### Why is there a SACRE?

Every local authority (LA) has to have a SACRE by law. The Children's Services division of the LA that takes responsibility for making sure SACRE works well and SACRE's work is related to schools and their curriculum.

#### What does a SACRE do?

The law says that RE must be taught in all schools and a SACRE's role is to advise its local authority on what needs to be done to improve religious education (RE) and collective worship for schools in its area. This is because RE is not part of the National Curriculum; it is a local responsibility. Through the SACRE, local communities and teachers have the opportunity to influence and support what pupils learn in RE.

The SACRE's main function is to advise the local authority on matters related to the religious education, which follows the locally agreed syllabus, and on collective worship in schools.

### Where do I go for advice relating to RE or Collective Worship in my school?

Olivia Seymour, is the Professional RE Adviser for maintained schools in North Yorkshire over the coming academic year. (Please note for church schools Olivia can provide advice relating to the Agreed Syllabus but we encourage church schools to seek wider RE advice from their home diocese)

Olivia also provides advice to community schools on matters relating to collective worship (church schools should again seek advice from their home diocese)

Enquires into the Local Authority can be directed to [schoolimprovementservice@northyorks.gov.uk](mailto:schoolimprovementservice@northyorks.gov.uk) and the service will provide a conduit to the specialist advice.

You can find out more about RE in North Yorkshire schools here:

## Introducing Yesmien Bagh Ali

Yazi (Yesmien) is a British born, Muslim woman and has been delivering workshops about the Muslim Faith, in both Primary and Secondary schools, in the North for over 14 years. Her sessions are very much hands on and creative, that are planned to best support staff, pupils knowledge and understanding of the Islamic Faith and the way of life for a Muslim. Covering important festivals that will be coming up, such as Ramadhan and Eid celebrations. (Ramadhan starts 12<sup>th</sup> April 2021). Yazi creative approach encourages pupils to better understand:-

### Who is a Muslim and what do they believe?

She talks about the simple way of life for a Muslim, to more detailed on the Muslim beliefs about God. Encouraging pupils to Identify rituals, items of significance to Muslims, and sharing why they are important. (i.e. Wudu, Hajj, Hijaab, Niqaab, prayer beads, prayer mat, Qur'an and stand, compass).

As a Muslim she shares the importance of the 5 pillars of Islam and what each one means. Giving pupils the opportunity to understand being a Muslim is a way of life not just about the 5 pillars. Beliefs about God, contribution to community.

She shares her personal journey and what it mean to be a Muslim in Britain today?

Yazi teaching approach is unique. Her method of using the five senses, drama, cooking, art, dressing up and storytelling has always been popular both with pupils and staff. Often leading to important and current topics.

Yazi has adapted her sessions to also deliver via platforms such as Zoom so schools don't miss out on the opportunity to continue teaching R.E topics. They have been popular with parents too.

## NATRE Spirited Arts Competition

Join hundreds of schools from around the world taking part in this year's Spirited Arts competition! NATRE welcomes entries in (almost!) any artform your pupils can think of, including:

- Art (painting, drawing, sketching etc)
- Poetry
- Photography
- Dance
- Music
- Drama
- Sculpture

Winning entries will provide a good response to one of the 5 themes, and judges will be asking is it original? Is it well-crafted? And (most importantly!) is it excellent RE?

Pupils can enter individually, in pairs or groups, or as whole class, year or school entries.

The annual competition starts at the beginning of every school year and runs through the spring and summer terms. All entries must be received before 31 July 2021. To enable teachers to incorporate the art competition into their RE lessons, many schools have an 'Spirited Arts' unit of work, or a special learning RE/arts week.

Many schools host their own Spirited Arts competition and send their 10 winning entries in to the international competition. What a great way to engage all your teachers and pupils and raise the profile of RE in your school!

All the details on this year's themes, how to enter and supporting materials are on the NATRE website <https://www.natre.org.uk/about-natre/projects/spirited-arts/spirited-arts-2021/>
