## **Fostering North Yorkshire urgently need specialist carers to support some of our most complex and vulnerable young people.**

We are looking for people who have some experience of working with young people who have challenging needs.

Have you worked as a youth worker, teaching assistant, social worker or carer? If so, we would love to hear from you!

Our specialist carers can receive up to £840 per week in fees and allowances\* plus extra for birthdays, festivals and holidays.

A photograph of a man and a woman walking away from the camera on a paved path. The man is on the left, wearing a dark blue long-sleeved shirt and dark shorts. The woman is on the right, wearing a light blue denim jacket over a white top and dark trousers. They are holding hands. A brown and white dog is walking on the path to the right, on a leash. The background shows a green field and trees under a clear sky.

*“I had previously worked in the care sector with young people. Coming to specialist fostering with some experience meant I could be quickly up and running. We love what we do. Seeing the child feeling safe, doing better in school, being happy and doing normal things...no money can buy those sort of rewards!”*
