

Campaign briefing - National Child Exploitation Awareness Day 18 March 2022

We're proud to be supporting national **Child Exploitation Awareness Day** on **18 March 2022**. The day aims to highlight the issues surrounding child exploitation (CE); encouraging everyone to **think**, **spot**, and **speak out** against abuse. The campaign calls for us all to take a zero-tolerance approach to child sexual exploitation (CSE) and child criminal exploitation (CCE).

In North Yorkshire we'll be promoting awareness of child exploitation **throughout week commencing 14 March**. The theme we're focussing on for the event this year is **Be Aware**, highlighting the work happening to develop and relaunch our **Be Aware online knowledge hub**.

Be Aware is already used by professionals across North Yorkshire. We want it to become a source of information and guidance for parents, carers and young people too, proving clear advice about **where people should turn to if they're worried**.

We're working alongside partners, professionals, parents, carers and young people in North Yorkshire to make sure Be Aware is shaped by real people's experiences of exploitation.

The new and improved Be Aware online knowledge hub will help people know how to spot the warning signs, where they can access support, ways to keep safe and how to report any concerns about possible exploitation. We're launching it in summer 2022 and will share more information nearer to the time.

Until then, we'd be grateful if partners can help us to raise the awareness of some key messages around child exploitation by promoting the following social media content and information in the week leading up to Child Exploitation awareness day on 18th March.

You can help us by

- ✓ Posting Child Exploitation Awareness Day content on your social media accounts (suggested content see below).
- ✓ Follow NYSCP (@NYSCP1) on Twitter Instagram and Facebook and share Child Exploitation Awareness Day posts on your accounts and get messages out across your networks.
- ✓ Mobilise colleagues by sharing this briefing and asking them to join you in supporting the Child Exploitation Awareness Day/ Be Aware campaign.
- ✓ Write a personal pledge on your hands to show support for the National Working Group Helping Hands campaign and encouraging people of North Yorkshire to Be Aware of child exploitation. Post your photo on social media with the hashtag #HelpingHands #BeAware and #CEADay22 to help us raise awareness of CSE and wider exploitation.
