Agenda:

- 09:30 Welcome and check in
Rebekah Taylor, Head of School Improvement Service
- 09:35 **Workshop Session 1: Shaping the Future.**
NYCC School Improvement Service strategy, including the opportunity for Headteachers and CEOs to share their thoughts around the future of the service. *Led by Rebekah Taylor, Head of Service.*
- 11:00 Break
- 11:15 **Workshop Session 2: Enabling every child to thrive and succeed.**
Enabling pupils identified with SEND to thrive in school, including partnership working with the SEND Hubs. Headteachers are asked to discuss and share case studies/examples of positive impact and success stories for children with SEND. *Led by NYCC Inclusion Service.*
- 12:30 Lunch
- 13:15 **Workshop Session 3: The Wider Curriculum in Action.**
Ensuring your wider curriculum intent and implementation are embedded securely and consistently. *Led by Laura Birkett from NYCC School Improvement Service, with Headteacher representatives and the NYCC Music Service.*
- This is a workshop session which will allow time for Headteachers/CEOs to discuss and share with colleagues the work they have undertaken to develop their wider curriculum offer. We would ask that colleagues share their experiences of wider curriculum development and bring along any examples of work they have undertaken.
- 15:15 Networking and discussion time
