

Governor Training 2022-2023

The following courses are currently available for booking. Please liaise with colleagues in your school office to reserve a place at any of these events.

Membership of the Governance SLA includes two places at targeted courses, and unlimited places at universal courses.

SLA member boards also have access to Modern Governor – a digital platform with over 70 online learning modules designed to develop and support the role of governors. Governors on these boards should have received a welcome email from Modern Governor with log in details.
