# Supporting Recovery Training Programme

A free six module programme, designed to support school leaders to make purposeful use of educational evidence and identify areas for development and enact strategies to improve teaching and learning.

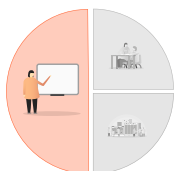

Each 90 minute session will be tailored to address challenges and opportunities in your local region, exploring high quality teaching, targeted interventions and wider strategies as well as planning and implementing your school's approach to education recovery.

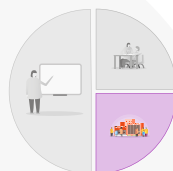

**Module One**  
**The Tiered Approach:**  
Unpacking High  
Quality Teaching
