

Service Children's Community Choir **2022**

The Service Children's Community Choir (formerly NMKC) reformed in September 2021 and now that restrictions are easing further we wanted to reach out to all schools in the Garrison and Richmond areas to invite more children to take part in our singing sessions.

We will be meeting weekly on Thursday evenings (6.15pm -7.30 pm) plus we also have some Sunday Sessions planned over the next few weeks supported by our Music leads Joshua Hadfield and Liz Latta. Sessions are held at Le Cateau and supervised by DBS checked staff from North Yorkshire schools. All children from Year 2 - Year 11 welcome! It would be amazing to make some musical memories together.
