Supporting Recovery Twilights

making evidence informed choices

For schools in North Yorkshire, book here: www.docs.google.com/forms

Through two free 90-minute online sessions you will be supported to purposefully identify your school's key development priorities in the wake of the pandemic.

Guidance around using research to identify potential approaches to educational recovery will also be provided, alongside worked examples of how to put new initiatives into practice.

Dates

15th & 29th March: 2.00-3.30pm

Delivered by:
