CYPS Briefing for school heads, principals and CEOs

This morning online session for all schools and academies includes the termly CYPS briefing.

Outline

This morning briefing will include updates across the range of CYPS and wider council services and will be relevant to leaders of all schools and academies across North Yorkshire.

Description

This is an opportunity for headteachers and academy leaders to hear from managers from children and young people's services (CYPS) as well as council services that provide advice and support to schools to discuss shared issues. This focussed autumn term briefing session is being held online this time, as we hope that school leaders will prioritise attendance at the in-person whole day CYPS event on 11th November 24. Personal invitations for this special event will be sent to schools on 10th September 2024 – please look out for it in your inbox.
