Keeping Children Safe in Education 2024

In line with regulations from Keeping Children Safe in Education 2024, North Yorkshire Council's Children and Families' Service ensures all employment checks are carried out in accordance with the relevant Codes of Practice, including enhanced checks through the Disclosure and Barring Service (DBS).

Checks on all staff have been made against the Barring List to ensure that they are able to undertake unsupervised activities with children in school.

Whilst visiting schools all staff will wear their NYC ID Badge.
