

**FULLY FUNDED**

**NCETM**  
NATIONAL CENTRE FOR EXCELLENCE  
IN THE TEACHING OF MATHEMATICS

Working with

# YEARS 5-8 CONTINUITY RYEDAILE

- Strengthen the transition from primary to secondary school through collaboration with colleagues from across KS2 and KS3
- Work on mathematical tasks together and reflect on the resulting activity and learning
- Take part in lesson observations in KS2 and KS3 settings, offering the chance to see tasks in the context of a classroom
- The focus this year will be on fractions with oracy.

This Work Group is particularly suitable for linked 'families' of schools. A 'family' could be a secondary school and their associated (feeder) primary schools or groups of schools from within a MAT.

**Wykeham CE Primary School,  
Main Road, Wykeham, YO13 9QB**

- Tues 26th November 1:15 - 4:15
- Tues 4th February 1:15 - 4:15
- Weds 23rd April 1:15 - 4:15

Classroom visits will take place between sessions -  
dates TBC

100% of participants surveyed in  
2023/24 would recommend this  
programme to a colleague
