

SEND Inclusion Survey

Parents' Survey

Thank you for taking the time to fill in this survey.

With your help, we are aiming to get a broad consensus on the essential elements and format for an inclusive practice toolkit. The toolkit will aim to support parents, teachers and other school staff in supporting various elements of inclusive practice in schools.

All six questions are optional and all responses are anonymous. Please do not include any details that could identify you, your child or anyone else. This document is available in alternative languages and other formats if necessary.

If you need to contact anyone regarding this questionnaire, please email
