

JOIN OUR **FREE** AUTUMN TRAINING EVENT

FOR SECONDARY STAFF

The following session will look to empower staff to effectively support the unique needs of children from service families backgrounds

To take place @
Oakbridge Primary
School, Alvertune
Road Northallerton

AUTISM & ANXIETY WORKSHOP

THURSDAY 16TH
OCTOBER
9.30-11.30 AM

This session is aimed at teachers, teaching assistants and SENCOs. Higher levels of anxiety are being reported by both neurotypical and neurodiverse children. This course will identify how pupils may express anxiety and give strategies to help to reduce and prevent it, which can also then help to improve school attendance.

Provided by the Autism Education Trust
