

**LET'S
MAKE
SENSE**
together.

Let's Make Sense Together is a free resource that anyone can use. It provides information and support to children and young people with sensory processing differences.

On the Healthier Together Webpage you can find a series of videos to help parents, carers, teachers, and others who support children with sensory processing differences. You'll also find helpful advice sheets and links to other support and information.

All information has been created by local therapists.
