## **NYES School Improvement & Early Years**

### **Schools Climate Action Planning event**

**Arrivals from 12.00pm for free lunch, networking and marketplace. Session runs 1pm-3:30pm followed by an optional tour of the waste recovery facility 4-5pm.**

#### **Outline**

This free staff support session, delivered in conjunction with the University of Leeds - the DfE regional support hub for climate action plans, will be launching information and support around the Department for Education's requirement for all schools to have Climate Action Plans and a nominated Climate Action lead in place.

Find out more about the National Nature Park and Let's Go Zero DfE funded initiatives and how they can support your schools to tackle climate change.

#### **Description**

There will be a marketplace of stallholders who can support schools working on their action plans including: North Yorkshire Rotters, Energy Traded Service, Waste recycling officers and biodiversity/ school grounds. Time will be given for your own action planning and networking with colleagues and support organisations.

Book your school's free place ASAP and no later than Friday 14th February 2025. Initially one delegate/ school as numbers are limited, however if you would like extra places should they be available please indicate this in the notes section when booking your place and we will let you know.

There is the option to book a tour of Allerton Park waste recovery centre after the session, please indicate in the notes when booking your place if you'd like to attend the tour.

#### **Booking Information**
