

Building Blocks for Language

Could our Building Blocks for Language course benefit a family you know?

If you know a child aged 2 to 3 years 11 months who would benefit from support with their speech, language and communication skills, Building Blocks for Language could be the perfect next step.

Building Blocks for Language is a free, 6-week course that aims to develop the foundations of early communication. It includes;

- ☀ Fun and engaging sessions for children and their parents/carers
- ☀ Practical communication strategies
- ☀ Early support that can make a big difference

As well as advice from a NYC Speech and Language Therapist
