

Parent Carer Information Sessions 2026/2027

Our parent carer information sessions are held via MS teams and delivered by two experienced members of the SENDIASS North Yorkshire Team.

These sessions focus on a specific theme, providing general information and advice on law, policy and procedure, as well as offering an opportunity for parents to ask questions.

You can book a place on any of the upcoming sessions via our website.

Please note these information sessions are for parents and carers only. If you are a professional, please contact us for information on our training offer.
