

Help Shape the Future of Inclusion Support Services: Experts at Hand events

A Service Designed With You, For You

We're excited to be launching a series of co-design events led by our Locality Boards, who are working in partnership with North Yorkshire Council to help shape Experts at Hand, a NYC service being designed with practitioners, for practitioners.

Locality Boards are at the heart of this work, helping to drive meaningful engagement and ensuring that the voices of Early Years, schools and Post-16 providers are heard throughout the design process.

The boards will be running events over the next few weeks across North Yorkshire as well as on-line surveys.
