Understanding your child in a changing world

Parenting in a modern world, tackling big questions around:

- social media, AI and gaming
- climate change, war and conflict
- gender identity

48 Newly registered Learners

"This course was fab and really gets you to reflect on situations you have with your children, your own behaviours and actions and how they impact your children. I loved it."

North Yorkshire Parent

Understanding your child: from toddler to teenager is now available on WhatsApp:
