This is a bespoke family service for 5-19 year olds who wish to work towards a healthy weight. Each family is offered a 12 week programme which is delivered by a Healthy Lifestyle Advisor within the family home or community setting. During the programme families take part in a range of fun and interactive sessions based on key lifestyle topics, complete weekly challenges and set their own personalised goals.

For more information contact one of the team on 01609 798081.

Healthy Start Vitamins

You can buy or use your vouchers to get Healthy Start (children's and women's) vitamins from your children's centre - Pop into reception to collect yours today!

Prevention Service

The Prevention Service brings together a range of preventative work previously undertaken by separate services.

This single service:

- operates seamlessly throughout the 0-19 age range;
- eliminates duplication, unnecessary and unhelpful transitions for families;
- has a new way to provide services, including a greater capacity to provide early help in a more targeted way for children, young people and families;
- is co-located with the Healthy Child Teams (0-19).

Our vision is that "families in North Yorkshire are able to access readily a range of support to ensure that their children are safe, happy and well, and that they can flourish at school and in the wider

The Scarborough Pledge – Transforming Coastal Futures

The Scarborough Pledge is a project aimed at improving the lives and life-chances of children and young people living on the coast.

One of our aspirations is that every child in Scarborough will know the same five songs before they start school.

To hear and download these songs being performed by children from Overdale School, please log onto www.soundcloud.com and search 'Scarborough Pledge'.

Contact your Children's Centre if you would like a copy of the words.
