

Training for Education staff; Common Childhood Infections, Infection Control & Outbreak Management

The training will be facilitated by a Health Protection Practitioner (PHE), Nurse Specialist Infection Control (NHS) and an Environmental Health Officer (LA).

The training will include:

- Sharing Information and Public Health Law
 - Common Childhood Infections
 - Infection Control
 - Food Safety: Principles for Schools
 - Principles of Outbreak Management
- Supporting Children at School with Medical Conditions

The training will take place at:

Wednesday 21st March 2018
FERA, Sand Hutton. 9am-1pm

This training is free therefore booking is required.

Places are limited to 50 delegates so early booking is advised (first come first served). Please limit applications to maximum of 2 delegates per school.

Refreshments are available from 8:30am with training starting at 9am.

To book a place, please email Sharon.hodgson@phe.gov.uk

Closing date for booking is Friday 16th March 2018.

For further information please contact;

Sharon Hodgson (PHE) on 01904 687100 or the above email address.
