

North Yorkshire Outdoor Learning Service

Booking Bewerley Park and East Barnby Centres 2018-19

NYOLS mission is to work with schools to make North Yorkshire the UK's greatest outdoor classroom. We live in a fantastic part of the country with access to superb natural environments and adventures on our doorsteps. We offer much more than activities and adventure - we offer students bespoke opportunities to promote personal, social and emotional development, resilience and a growth mindset which builds the capacity for future success. We provide full residential packages, expeditions, adventure days at one of our sites, at your school or a nearby location.

In addition to work with your students why not consider us for your staff development team building day, 1st Aid training, Forest or Beach School training or in support of educational visits or field study. We can also facilitate CPD to enhance the use of school grounds and outdoor learning.

We welcome staff to visit our centres, to see how we work and discuss individual ideas and requirements. Get in touch – come and join in and see our team in action!

'Motivational Learning in Inspirational Environments'

We live up to our motto - providing an exceptional range of outdoor learning opportunities to motivate and inspire learning and development. Our residential centres at Bewerley Park and East Barnby enable access to our unique North Yorkshire countryside. Our superb staff team work in partnership with you to develop and deliver the learning outcomes you wish for your students and to ensure we make a positive difference every day!

We are a highly flexible and inclusive service; we will work hard to facilitate a programme to accommodate your needs and aspirations. More information about the service, how we work, the learning and activities on offer is available on our website:

Residential costs and booking 2018-2019

Our fees are all-inclusive of food, accommodation, equipment, teaching staff and transport during the course. Visiting adult places are free on a ratio of 1:12 students with additional places for staff supporting pupils with specific needs. Due to changes in our funding we will no longer be able to offer free places for students eligible for FSM – schools are encouraged to plan ahead with their use of Pupil Premium, work closely with parents, governors, local charities, trusts and community funds to enable continued access for FSM students.

The cost of our residential adventure programmes are as follows:

5 day residential: £325 standard, £335 peak and £299 off peak

3 day residential: £189 standard, £199 peak, £179 off peak

7 day residential example: c £435 standard – 5 days as above with an overnight expedition at the end (or at a later date in the year) - full quote on request.

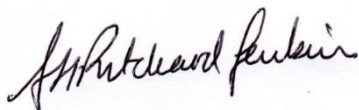

Why not use some Primary Sport Premium or Pupil premium funding to enable some prep days and/or follow up days either side of your residential? A member of our team can come to you or meet at a suitable location to deliver some team challenges or adventurous activities, to set the scene or further review and reinforce learning - £320 per day.

To book your place please refer to individual centres calendar of available dates which also shows the seasonally adjusted prices. The centres price bands are different which reflects their own individual pattern of bookings.

Please return your booking form by Friday 1st December 2017 to the relevant centre(s) highlighting your 3 preferred dates.

We will be in touch as soon as possible to confirm arrangements and look forward to planning your new adventures.

Yours sincerely

Adam Pritchard-Jenkins
